

**Composition** Each liter of solution contains: **Hydrogen Peroxide 250 g** | **Acetic Acid 100 g**

## Target Animal

Livestock and poultry

## Indications

Effecsant HPP<sup>®</sup> is a powerful and broad spectrum disinfectant that affects kinds of microorganism like bacteria, viruses, yeast and molds. This product has high biosecurity level because of peracetic acid.

## Dosage and Administration

- / Disinfection of poultry house air: dilute at 1 to 1000 ratio, then spray.
- / Disinfection of poultry feed: dilute at 1 to 1000 ratio, then spray on the feed.
- / Disinfection of equipment: dilute at 1 to 200 ratio, then immerse equipment in prepared solution.
- / Disinfection of milking system: dilute at 1 to 250 or 350 ratio, then circulate in the system.
- / Disinfection of large animal carcass in slaughterhouse: dilute at 1 to 250 ratio, then spray on the carcass.
- / Disinfection of entrance pools in farms: dilute at 1 to 400 ratio, then use it in the pools.
- / Disinfection of drinking water: dilute at 1 to 20000 ratio, then mix it with drinking water.
- / Disinfection of cow udder: dilute at 1 to 350-500 ratio, then spray on.
- / Disinfection of hoof for preventing lameness: dilute at 1 to 400 ratio, then spray on, or immerse the hoof in the pool for 1-5 minutes.

## Storage

- / Keep Effecsant HPP<sup>®</sup> container in vertical position.
- / Keep it in a cool place (below 20°C).
- / Keep away from direct sunlight and keep lid of container closed.
- / This product is equipped with vented cap for gas exhaust.

## Packaging

5 Liter Gallon

## Precautions

- / Protect eyes and skin by using suitable clothes, gloves, mask and eyeglasses.
- / If contacting with skin and eyes, wash immediately with plenty of clean water.
- / This product is flammable, so keep away from heater and flammable materials.
- / Keep out of reach of children.

## Environmental Considerations

- / This material and its container must be disposed of in a safe way.
- / Empty containers may retain some product residues and hence be potentially hazardous.
- / Dispose of waste to licensed waste disposal site in accordance with the requirements of the local regulations.
