

# UNIQCURE

## ADDITIVES & PHARMA

### about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products. Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

For Veterinary Use Only

## Composition

Each liter contains:  
A comprehensive blend of essential B-complex vitamins including Vitamin B1, B2, B3, B5, B6, B7, B9 and B12.

Target Animal  
Poultry  
(Also suitable for livestock under veterinary supervision)

Indication  
B UNIQUE is specially formulated to:

- Support metabolic and enzymatic functions
- Enhance energy production
- Improve growth and feed efficiency
- Support nervous system function
- Improve appetite during stress and disease conditions
- Support immune function
- Enhance recovery during and after medication or vaccination
- Improve overall health and performance

Dosage and Administration  
Routine Use in Drinking Water:  
Mix 0.5 – 1 ml per liter of drinking water for 3–5 consecutive days.  
During Stress, Disease, Vaccination or Poor Appetite:  
Mix 1 – 2 ml per liter of drinking water for 5–7 consecutive days or as directed by a veterinarian.

Note

- Prepare a fresh solution daily.
- Dosage and duration should be prescribed by a veterinarian.
- Can be safely used alongside antibiotics, vaccines and other feed additives.
- Shake well before use.

Contraindication  
None known.

Withdrawal Period  
None.

Drug Interaction  
None.

Storage

- Store at room temperature.
- Keep away from direct sunlight.
- Keep the container tightly closed.

Precaution

- Use under supervision of a veterinarian.
- Keep out of reach of children.
- For animal use only.

Environmental Consideration  
Avoid unnecessary release into the environment.  
Dispose of empty containers in accordance with local environmental regulations.

Packaging  
1 Liter Bottle

Support metabolic  
and enzymatic  
functions
