

UNIQCURE

ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products. Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

HATCH UP®

HATCH UP®
Hatchability Enhancer Feed
Additive
For Veterinary Use Only

Composition

Each liter contains:
A specialized formulation of hepatoprotective and nephroprotective compounds including herbal extracts, vitamins and supportive bioactive ingredients.

Target Animal
Breeder Poultry
(Broiler breeders and layer breeders)

- Indication
HATCH UP is specifically formulated to:
- Enhance hatchability and hatch rate
 - Support strong and healthy embryo development
 - Improve fertility and embryonic viability
 - Reduce early and late embryonic mortality
 - Produce stronger, healthier and more uniform chicks
 - Improve chick quality and post-hatch performance
 - Support breeder productivity and reproductive efficiency

Dosage and Administration
Routine Use in Drinking Water (Breeder Flocks):
Mix 0.5 – 1 ml per liter of drinking water for 3–5 consecutive days per week during setting period.
During Low Hatchability, Heat Stress or Poor Egg Quality:
Mix 1 – 2 ml per liter of drinking water for 5–7 consecutive days or as advised by a veterinarian.

- Note
- Prepare a fresh solution daily.
 - Dosage and duration should be prescribed by a veterinarian or poultry reproduction specialist.
 - Can be safely used alongside other vitamins, minerals and feed additives.
 - Shake well before use.

Contraindication
None known.

Withdrawal Period
None.

Drug Interaction
None.

- Storage
- Store at room temperature.
 - Keep away from direct sunlight.
 - Keep the container tightly closed.

- Precaution
- Use under supervision of a veterinarian.
 - Keep out of reach of children.
 - For animal use only.

Environmental Consideration
Avoid unnecessary release into the environment.
Dispose of empty containers in accordance with local environmental regulations.

Packaging
1 Liter Bottle

Enhance
hatchability and
hatch rate
