

UNIQCURE

ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products. Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

LIVORENAL®

LIVORENAL®
Liver & Kidney Protector Feed
Additive
For Veterinary Use Only

Composition

Each liter contains:
A specialized formulation of hepatoprotective and nephroprotective compounds including herbal extracts, vitamins and supportive bioactive ingredients.

Target Animal
Poultry
(Also suitable for livestock under veterinary supervision)

Indication
LIVORENAL is specifically formulated to:

- Safeguard and support liver function
- Protect kidney health and improve renal performance
- Enhance detoxification processes
- Improve metabolism of fats, proteins and toxins
- Reduce the negative effects of drugs, mycotoxins and stress on liver and kidneys
- Improve overall health, vitality and performance

Dosage and Administration
Routine Use in Drinking Water:
Mix 0.5 – 1 ml per liter of drinking water for 3–5 consecutive days.
During Liver or Kidney Stress, Medication, Toxicosis or Heat Stress:
Mix 1 – 2 ml per liter of drinking water for 5–7 consecutive days or as prescribed by a veterinarian.

Note

- Prepare a fresh solution daily.
- Dosage and duration should be prescribed by a veterinarian.
- Can be safely used alongside antibiotics, vaccines and other feed additives.
- Shake well before use.

Contraindication
None known.

Withdrawal Period
None.

Drug Interaction
None.

Storage

- Store at room temperature.
- Keep away from direct sunlight.
- Keep the container tightly closed.

Precaution

- Use under supervision of a veterinarian.
- Keep out of reach of children.
- For animal use only.

Environmental Consideration
Avoid unnecessary release into the environment.
Dispose of empty containers in accordance with local environmental regulations.

Packaging
1 Liter Bottle

Safeguard and
support liver
function
