

# UNIQCURE

## ADDITIVES & PHARMA

### about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products. Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

# PYROCURE®

PYROCURE®  
Analgesic, Anti-Inflammatory &  
Antipyretic Oral Solution  
For Veterinary Use Only

## Composition

Each liter of solution contains:  
Sodium Salicylate

Target Animal  
Poultry

### Indication

PYROCURE® is used in the drinking water of poultry to:

- Reduce pain (analgesic effect)
- Reduce fever (antipyretic effect)
- Control inflammation (anti-inflammatory effect)

### Dosage and Administration

Analgesic & Antipyretic Dose

Depending on bird weight and farm density:

Mix 52 ml of PYROCURE® per 1000 kg body weight into drinking water daily

(Target dose: 25 mg Sodium Salicylate per kg body weight)

Anti-Inflammatory / Anti-Prostaglandin Effect

• First day of treatment:

Mix 104 ml PYROCURE® per 1000 kg body weight into drinking water daily

(Target dose: 50 mg Sodium Salicylate per kg body weight)

• Following days of treatment:

Mix 65 ml PYROCURE® per 1000 kg body weight into drinking water daily

(Target dose: 35 mg Sodium Salicylate per kg body weight)

### Notes

- Treatment may be repeated as necessary
- Prepare a fresh solution daily
- Dosage and duration should be prescribed by a veterinarian

### Contraindications

None known.

### Withdrawal Period

24 hours

### Drug Interactions

None reported.

### Storage Conditions

- Store at room temperature
- Protect from direct sunlight
- Keep the container tightly closed

### Precautions

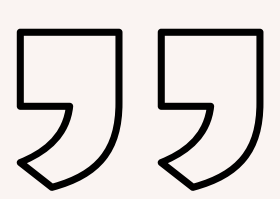

- Use under the supervision of a veterinarian
- Keep out of reach of children
- Gradual darkening of the solution does not affect product quality

### Environmental Considerations

- Avoid release into the environment
- Dispose of empty containers and waste safely according to local regulations

### Packaging

1 Liter Bottle

Analgesic,  
antipyretic and  
anti inflammatory  
effect
