

UNIQCURE

ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products. Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

RESP-EASY PLUS®

RESP-EASY PLUS®
Herbal Respiratory Support Feed
Additive
For Veterinary Use Only

Composition

Each liter contains:
A specialized herbal emulsion of selected
plant extracts with respiratory protective
and soothing properties.

Target Animal
Poultry
(Also suitable for birds under veterinary supervision)

- Indication
RESP-EASY PLUS is specifically formulated to:
- Protect and support the health of the upper respiratory tract
 - Improve breathing and air passage function
 - Reduce respiratory irritation and congestion
 - Support recovery during respiratory challenges
 - Improve oxygen utilization and overall performance
 - Enhance resistance against environmental and management stress
 - Support immune function related to respiratory health

Dosage and Administration
Routine Use in Drinking Water:
Mix 0.5 – 1 ml per liter of drinking water for 3–5 consecutive days.
During Respiratory Stress, Poor Air Quality, Vaccination or Disease:
Mix 1 – 2 ml per liter of drinking water for 5–7 consecutive days or as
prescribed by a veterinarian.

- Note
- Prepare a fresh solution daily.
 - Dosage and duration should be prescribed by a veterinarian.
 - Can be safely used alongside antibiotics, vaccines and other feed additives.
 - Shake well before use.

Contraindication
None known.

Withdrawal Period
None.

Drug Interaction
None.

- Storage
- Store at room temperature.
 - Keep away from direct sunlight.
 - Keep the container tightly closed.

- Precaution
- Use under supervision of a veterinarian.
 - Keep out of reach of children.
 - For animal use only.

Environmental Consideration
Avoid unnecessary release into the environment.
Dispose of empty containers in accordance with local environmental
regulations.

Packaging
1 Liter Bottle

Protects and
supports the
health of the
upper respiratory
tract
