

UNIQCURE

ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products. Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

SANIVER®

SANIVER®
Disinfectant Solution Based on
Aldehydes and Quaternary
Ammonium Compounds
For Veterinary Use Only

Composition

Composition
Each 1 liter of solution contains:
Didecyl Dimethyl Ammonium Chloride
Iso-propyl Alcohol
Glyoxal
Glutaraldehyde
Formaldehyde

Target Animals

- Livestock
- Poultry

Indications

SANIVER® is indicated for the disinfection of:

- Incubators and hatcheries
- Poultry houses, cages, and equipment
- Entrance pools in poultry farms
- Entrance pools for vehicles, trucks, and herds in livestock farms
- Animal houses, maternity hospitals, and slaughterhouses
- Transportation trucks
- Floor coverings, shoes, boots, and other equipment in poultry and livestock farms

Dosage and Administration

Prepare the diluted solution according to the application:

- Surface Disinfection (ceilings, walls, floors):
Add 0.5 L SANIVER® to 99.5 L water (0.5% solution).
Spray 1 liter per 10 m² of surface.
- Equipment Disinfection:
Add 1 L SANIVER® to 99 L water (1% solution).
Immerse equipment for 10 minutes, then rinse.
- Vehicle and Transportation Truck Disinfection:
Add 0.5 L SANIVER® to 99.5 L water (0.5% solution).
Spray all accessible vehicle surfaces.
- Entrance Pool Disinfection:
Add 1 L SANIVER® to 99 L water (1% solution).
Use continuously and replace when color changes.

Storage Conditions

- Store in a cool place
- Protect from direct sunlight
- Keep the container tightly closed
- Use within 60 days after opening
- Use diluted solution within 48 hours after preparation

Precautions

- Wear protective clothing, gloves, mask, and safety goggles
- Avoid swallowing and inhalation of vapors or spray mist
- Product is irritant to skin, eyes, and mucous membranes
- o In case of contact, rinse immediately with plenty of clean water and consult a physician
- Keep out of reach of children

Environmental Considerations

- Dispose of product and containers in a safe manner
- Empty containers may contain hazardous residues
- Do not discharge residues into drains, water sources, or soil
- Dispose of waste at licensed waste disposal sites according to local regulations

Packaging

- 5-Liter Gallon

A broad-spectrum
disinfectant
