

UNIQCURE ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products.

Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

UNIQ AD3ECK®

UNIQ AD3ECK®
Vitamin A, D3, E, C & K Feed
Additive
For Veterinary Use Only

Composition

Each liter contains:

- Vitamin A
- Vitamin D3
- Vitamin E
- Vitamin C
- Vitamin K3

(In a suitable liquid base)

Target Animal
Poultry
(Also suitable for livestock under veterinary supervision)

Indication

UNIQ AD3ECK is specially formulated to:

- Enhance immune system strength
- Improve resistance against heat stress, vaccination stress and environmental stress
- Support healthy growth and strong skeletal development
- Improve calcium, phosphorus and blood clotting function (Vitamin K)
- Boost antioxidant defense
- Improve egg production, shell quality and hatchability
- Support fertility and embryo viability
- Prevent and correct multi-vitamin deficiencies
- Improve overall vitality and farm performance

Dosage and Administration

Routine Use in Drinking Water:

Mix 0.5 – 1 ml per liter of drinking water for 3–5 consecutive days.

During Heat Stress, Disease, Vaccination, Poor Growth or Low Production:

Mix 1 – 2 ml per liter of drinking water for 5–7 consecutive days or as directed by a veterinarian.

Note

- Prepare fresh solution daily.
- Shake well before use.
- Can be safely administered alongside antibiotics, vaccines and other feed additives.
- Dosage may vary according to flock condition.

Contraindication

None known.

Withdrawal Period

None.

Drug Interaction

None reported.

Storage

- Store in a cool, dry place at room temperature.
- Protect from direct sunlight.
- Keep container tightly closed after use.

Precaution

- For animal use only.
- Use under veterinary supervision.
- Keep out of reach of children.
- Do not overdose (fat-soluble vitamins A, D3, E and K may accumulate in the body).

Environmental Consideration

Dispose of empty containers according to local environmental protection regulations.

Packaging

1 Liter Bottle

Enhance immune
system strength
