

UNIQCURE ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products.

Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

UNIQ VITAMINO®

UNIQ VITAMINO®
Amino Acid & Vitamin Feed
Additive
For Veterinary Use Only

Composition

Each liter contains:

A balanced combination of essential
amino acids and vital vitamins required
for optimal growth, metabolism and
performance

Target Animal
Poultry
(Also suitable for livestock under veterinary supervision)

Indication

UNIQ VITAMINO is specifically formulated to:

- Optimize overall health and production performance
- Improve feed utilization and feed conversion ratio (FCR)
- Support protein synthesis and muscle development
- Enhance metabolic and enzymatic activities
- Improve appetite and feed intake
- Support immune system function
- Aid rapid recovery during stress, disease and vaccination
- Improve vitality and uniformity of the flock

Dosage and Administration

Routine Use in Drinking Water:

Mix 0.5 – 1 ml per liter of drinking water for 3–5 consecutive days.

During Stress, Disease, Vaccination or Poor Performance:

Mix 1 – 2 ml per liter of drinking water for 5–7 consecutive days or as prescribed by a veterinarian.

Note

- Prepare a fresh solution daily.
- Dosage and duration should be prescribed by a veterinarian.
- Can be safely used alongside antibiotics, vaccines and other feed additives.
- Shake well before use.

Contraindication

None known.

Withdrawal Period

None.

Drug Interaction

None.

Storage

- Store at room temperature.
- Keep away from direct sunlight.
- Keep the container tightly closed.

Precaution

- Use under supervision of a veterinarian.
- Keep out of reach of children.
- For animal use only.

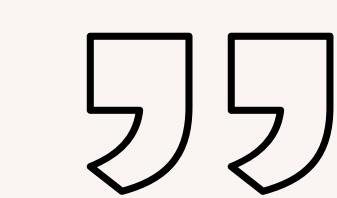

Environmental Consideration

Avoid unnecessary release into the environment.

Dispose of empty containers in accordance with local environmental regulations.

Packaging

1 Liter Bottle

Optimize overall
health and
production
performance
