

UNIQCURE ADDITIVES & PHARMA

about us.

Since 2018, we have been dedicated to research and development in the production of veterinary drugs and supplements. By 2021, we successfully designed and manufactured 70 products, and by 2024, we expanded our portfolio to 120 products.

Looking ahead, our vision is to develop and produce high-quality medicines and supplements for pets, livestock, and aquatic species.

We are now seeking to collaborate with distributors across various countries. If you are interested in learning more about our products and partnership opportunities, please feel free to reach out to us.

VIUSTOP®

VIUSTOP®
Anti-Fungal, Anti-Bacterial and
Anti-Viral Solution
For Veterinary Use Only

Composition

Each 1 liter of solution contains:
Garlic Liquid Extract
Vitamin E

Target Animals

- Poultry

Indications

VIUSTOP® is used in poultry to:

- Control viral, bacterial, and fungal diseases
- Inhibit the spread of respiratory pathogens
- Strengthen digestive microflora by increasing beneficial bacteria (Lactobacilli, Bifidobacterium) and reducing Enterobacteriaceae (E. coli, Salmonella)
- Regulate digestive system function by suppressing harmful microorganisms and stimulating digestive enzyme secretion
- Support immune system function and increase resistance to viral infections
- Improve appetite and weight gain
- Support the cardiovascular system and liver by enhancing fat digestion
- Improve resistance to Eimeria spp. infection in chickens
- Enhance egg production and egg quality in laying hens
- Improve performance parameters in broiler chickens
- Inhibit the formation of pre-inflammatory cytokines (anti-inflammatory effect)
- Stimulate semen production and concentration in male breeders

Dosage and Administration

- 500 ml VIUSTOP® / 1000 liters of drinking water
- Administer for 12 hours per day
- Continue for 3–5 consecutive days

Contraindications

- None reported

Withdrawal Period

- None

Drug Interactions

- None known

Storage Conditions

- Store at room temperature
- Protect from direct sunlight
- Keep the container tightly closed

Precautions

- Keep out of reach of children
- Shake well before use

Environmental Considerations

- Avoid release into the environment
- Dispose of product and empty containers safely in accordance with local regulations

Packaging

- 1-Liter Bottle

99

Control viral,
bacterial, and
fungal diseases
